Scenes On Civilian Defense Day

—Photo By Craig

These pictures were taken of Daly City's parade and demonstration on Civilian Defense Day when over two hundred local civilian defense volunteers were honored for completion of 90 hours of basic training. The parade was featured by many other marching units such as these, including a company of the army, defense volunteers, service organizations, state and county groups.

Top photo shows a portion of the two hundred honored volunteers of the day. This group represents the air raid warden service.

The next picture shows the San Mateo County Sheriff's posse, mounted on some of the county's finest horses. The parade included other mounted county units.

In the next photo, Captain John Palmer, U. S. Army, commanding officer of the company participating in the parade, is shown addressing the large crowd gathered at Jefferson Union high school athletic field for the program of the day.

Bottom picture is an unusual "bird's eye view" of the colorful float entered by Colma Vista Grande Aerie No. 1848, Fraternal Order of Eagles. The photo was taken from the top of a building.

Volunteers Learn About Control Center At General Civilian Defense Meeting

When the expected controversy between air raid wardens and the auxiliary police officers failed to materialize before the Civilian Defense Council, the general defense meeting, held Thursday night at the Jefferson Union High School auditorium, confined itself to the operation of the control center of the local civilian defense headquarters.

Reproduced on the auditorium stage was the control room in the basement of the city hall, nucleus of all local civilian defense activity in a blackout or air raid, and the headquarters from which all services are dispatched when needed. R. L. Crane jr., director of training and first aid head on the defense council, showed the large group of assembled civilian

volunteers how the control board was operated.

The board itself, a chart with columns for first aid, fire, police, and the many other services, was set up at the auditorium. A partition divided rooms where members of the control center and telephone operators work, and voices were substituted for telephones. Crane then cited a few sample incidents, and went through the entire procedure, explaining each step.

The assembled group of Daly City's civilian defense volunteers was reminded by Civilian Defense Director Arthur J. Bodien that the country was at war, and that a well organized civilian defense

When NOT To Be An "Early Bird"

Delivering a sound warning to all motorists in Daly City who are preparing to play the role of the "early bird who catches the worm" when national gasoline rationing goes into effect, Fire Chief A. P. Chesney cautioned against storing gasoline in homes.

Not over 5 gallons of explosive material can be stored in any residence at any time under a state law, and the container in which the maximum five gallons is kept must be approved by the local fire department. Chief Chesney declared that strict enforcement of this law will be in effect in this community, and anyone found violating this law will face state charges.

In curbing efforts of local motorists to hoard gasoline in their homes, Chief Chesney made his request more emphatic by stating that if fire breaks out in a home where over 5 gallons is stored, insurance compensation for the damage is nullified. He added that it is in the power of the local fire chief to nullify compensation and he will do so where violations occur.

Set October 1-8 Newspaper Week

Newspapers go all out for Victory!

This is the theme of National Newspaper Week which will be observed throughout the country October 1 to 8.

Announcement to this effect is made jointly by Harry A. Lawson, publisher of the Eagle Rock Sentinel, and D. D. Durr, chairman of the Los Angeles Newspaper Publishers Association, co-chairman for the Weeklies division and the Dailies division, respectively, of the National Newspaper Week committee of the California Newspaper Publishers association of which the Daly City Record is a member.

Name Mrs. Burton County Director

Increasing her duties as a recreation leader, Mrs. Marie Burton, director of the Daly City WPA Recreation department, has been appointed county director, it was announced, Monday, by county officials. Mrs. Burton now has offices in Daly City and South San Francisco, while other centers in the county are expected to close.

An ambitious recreation program is under way in South San Francisco, serving the large number of war workers there. Four centers are maintained in South San Francisco, and one, Jefferson Union high school, operates in Daly City.

Here's Who Received Permits To Purchase

Certificates for the purchase of a new car, tires, tubes, and recapped tires were issued to eight Daly City and Colma applicants during the first half of September, it was announced, yesterday, by the War Price and Rationing Board.

Total certificates issued in the entire board area during this period were as follows: recapped passenger car tires, 21; new tires, 3; second grade tires, 6; passenger car tubes, 6; recapped truck tires, 18; new truck tires, 9; and truck tubes, 8.

Motorists in Daly City, as well as other communities in the northern district, were warned by Mrs. C. F. Day, executive secretary, that tire quotas for September and future months have been greatly reduced. All motorists were cautioned about the unnecessary use of their cars.

Daly City and Colma certificates issued are as follows: Reverend Raymond J. Hore, Daly City, new car; Reverend William (Continued on Page 8)

PRESIDENT ANSWERS BODIEN'S TELEGRAM

Lauds Spirit Of Patriotic Citizenry

Official recognition from President Roosevelt of Civilian Defense Day and of the Daly City volunteers who completed 90 hours of basic training was received, Tuesday, at civilian defense headquarters by Arthur J. Bodien, director of civilian defense.

The letter from the White House in Washington, written by M. H. McIntyre, secretary to the president, was in answer to a telegram sent to the president by Bodien on Civilian Defense Day. Following is the telegram:

"Dear Mr. President: The people of Daly City, assembled in our stadium after viewing a defense parade and issuing diplomas to our civilian defense workers, unanimously pledged their support to our country for an all out victory for continued freedom.

"We are meeting our pledges in the Red Cross, U. S. O., and salvage drives, and will continue 100 percent to preserve the liberties of this blessed land.

"Mr. President, Daly City stands behind you, and prays for your health that you may carry on to a successful conclusion, and preserve our true American policies."

Dated September 17, the reply to Bodien's telegram read as follows:

"My dear Mr. Bodien: The President asks me to thank you for the fine message you sent him on September fourteenth, in behalf of the citizens of Daly City. The patriotic interest and fullhearted co-operation which it evidences is most gratifying, and I assure all of you that such pledges of support and expressions of good wishes give the President added strength and courage at this crucial time to carry out the will of the American people."

The names of Daly City's civilian defense volunteers who completed the 90 hours basic training are as follows:

Medical: Dr. Allen T. Hinman. Messengers: Alfred Greig jr., Don Russell. Council: R. L. Crane, Harry Melicker, Eugene W. Norton, Arthur Quirnbach, James Robertson.

Auxiliary firemen: Edgar T. Ray. Police: George Walter Savage. Air Raid Wardens: Arthur Alcione, M. Anderton, Stephen Annas, F. D. Bacon, Karl Baum, Anson Bianchini, Gene Bianchi, Roy Blake, Thomas L. Bocci, Harold Bohn, Rogue Bonomi, Nelson (Continued on Page 2)

Crane Seeks Aid Of Legion, Veterans To Put Over City-Wide Scrap Drive

From the men who served America in World War 1 and in previous conflicts — Daly City Post No. 410, American Legion, and Old Glory Post No. 2044, Veterans of Foreign Wars—the Salvage for Victory committee is seeking aid in conducting a joint campaign to salvage tin and scrap metal in a citywide house to house canvass.

The house to house campaign will be made in an effort to secure all tin and scrap metal in Daly City homes that missed the regular scrap campaign, last month, when such scrap was deposited at a collection depot. Although a date for the doorbell ringing campaign has not yet been set, tentative plans call for it to be held two Sundays in October, according to R. L. Crane jr., local salvage chairman.

Post commanders of both organizations, Howard McHugh of the Veterans and Emil Pahlka of the Legion, have been contacted by Crane and asked to submit the plan to their groups. Two city trucks, one for tin, and the other

for scrap metal, will be used in the campaign. School children will be used to ring doorbells, keeping about ten houses ahead of the trucks. In this manner, Crane explained, the salvage material will be ready for the trucks by the time they reach it.

"Too much time is wasted in ringing doorbells when the truck is waiting directly in front of the same house," Crane said in outlining his plan. "If we keep ten school children busy on each side of the street about ten houses ahead of the two trucks, we'll be able to cover the whole city in a much shorter time."

Members of the Legion and Veterans could pile the collections on each truck as they proceed down the street in case their support is granted.

From the scrap drive last month in Daly City, 3,320 pounds of iron and steel and 39,000 pounds in other metals were collected, according to latest figures from Crane's office.

Even Your Old Keys Can Help Win!

A new salvage drive was introduced in Daly City, this week, by the local salvage committee in an attempt to get valuable metal from old keys.

Quart milk bottles and glass jars are being placed in several business houses in the city, and all residents were asked to bring their old keys which have no use and drop them in the glass containers. Nickel steel is salvaged from the keys and used in war manufacturing.

School Children To Collect Cans

All tin cans which have been saved by Daly City housewives can be donated for use in America's war munitions plants by giving them to grammar school children in this community, tomorrow.

Every Friday is now pickup day for tin cans in Daly City. The Jefferson district grammar schools are the official community collection depots, and school children are the city's collectors. R. L. Crane jr., local salvage chairman, announced that pickups for tin cans are no longer being made on street corners as they (Continued on Page 8)

Board To Prepare For October Quota

With this month's quota for draftees out of the way, Daly City Draft Board No. 103 and its personnel this week began to formulate a contingent of 75 men to fill the October call for selectees. The 75 men selected and approved by the board will be inducted, Tuesday, October 27.

The board is still stocked with 1-A registrants, and the drafting of these men will continue before 3-a's will be taken, Dr. J. C. McGovern, board chairman, indicated. An increase of quotas in recent months, however, will likely cut down the local supply of 1-A's in a short time.

Meanwhile, the board has received information designed, as much as possible, to clarify the policy instituted in all boards (Continued on Page 2)

Jeff Indians Play Tamalpais Tomorrow

When the Jefferson High Indians cross the Bay to Tamalpais high school tomorrow afternoon and don the blue and gold, they will open the 1942 football season, meeting Tamalpais in a non-conference tilt.

After a series of hard scrimmages since the opening of school, Coach Glenn South, Jefferson's new mentor, expressed confidence (Continued on Page 8)

'Great Man's Lady' Now At Daly City

Three great stars who were first seen together in Cecil B. DeMille's "Union Pacific" are again united in the heart-stirring picture which Paramount brings tonight to the Daly City theatre screen. "The Great Man's Lady" co-stars Barbara Stanwyck and Joel McCrea with Brian Donlevy in support—a trio to quicken the pulse of any film fan.

The picture itself is a pulse-quicker, if ever there was one. The story covers a span of many years, going back as far as 1848 when Miss Stanwyck as a conventionally-reared girl of 16 runs off and marries Joel McCrea. He takes her out west where he hopes to build a great city on the barren land he has inherited.

Crossing their path is Brian Donlevy, a gambler uniquely honest. He falls in love with Barbara and is unwittingly instrumental in coming between her and McCrea. This does not keep her from setting McCrea on the path to the realization of his dreams. How she, McCrea's wife, finds herself living in the shadowy recesses of his life while he rises to magnificent heights, makes "The Great Man's Lady" thrilling, unusual entertainment. The three stars portray people you will love and remember for a long time.

effected another change in the local set-up when she resigned, Tuesday, to go into training for a job in a war plant. Now in charge of recreation activities at the high school are Miss Beatrice Wiltzie and Mrs. Edna Stern.

Following the completion of work in dimming out the gymnasium and swimming pool at the high school, last week, night recreation classes are now under way. The gymnasium and swimming pool are open to the public from 7 p. m. to 9:30 p. m. each night, Monday through Friday inclusive. All windows in the building are dimmed, the skylights have been painted with black paint, and all exterior lighting surrounding the athletic plant has been extinguished.

Mrs. Lela Campbell, sewing leader in the local recreation department, continues her duties at the Daly City office.

with printers ink," declares M. F. Small, publisher of the Feather River Bulletin and president of the state newspaper association.

With staggering losses in personnel and increases in production and distribution problems as a result of the War, California newspapers really have gone all out for victory as attested by words of high praise from leaders in the innumerable War drives for the unlimited support given by the hometown press.

One War Week

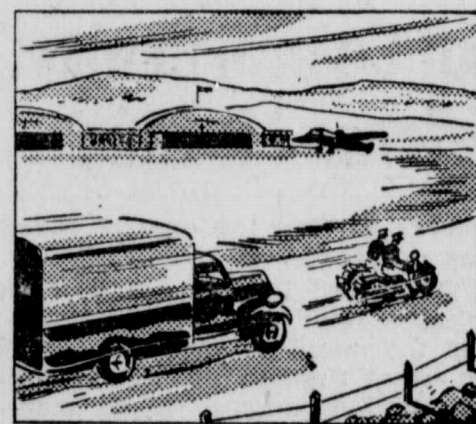

A calendar of events on one war job in one recent week gives a graphic picture of how General Electric is working to meet wartime emergencies.

1. **THURSDAY:** An order was received at an eastern G-E factory for equipment needed by a U. S. warship near Australia. A special call went out.

2. **THURSDAY NIGHT:** As many workers as could be efficiently employed on the job worked all night, all day **FRIDAY**, assembling the equipment.

3. **SATURDAY:** Under police escort, the equipment was rushed to a nearby airport. Traveling by plane, it arrived in San Francisco on **SUNDAY**.

4. **WEDNESDAY:** A bombing plane landed the equipment at its Pacific destination—10,000 miles from the factory—six days after receipt of order.

General Electric believes that its first duty as a good citizen is to be a good soldier.

TEACHERS' COURSE

In the expansive, modern swimming pool at Jefferson Union high school's athletic plant, a 15 hour course in life saving and the teaching of swimming was completed, early this month, by eight teachers of San Mateo county high schools.

The course continued for ten days under the supervision of G. C. Swearingen, director of first aid water safety for the San Mateo county chapter, American Red Cross. Among the eight county instructors who completed the course were the following four physical education teachers at Jefferson: Miss Ella Redkey, Miss Claire Nace, Glenn South and Elman Rose. For many of the teachers, the course was a "re-check" examination, which is

CURRENT ATTRACTION

CO-STARRED AGAIN are Barbara Stanwyck and Joel McCrea in Paramount's stirring love drama "The Great Man's Lady," which is now playing at the Daly City. The two stars were last seen in Cecil B. DeMille's "Union Pacific" together with Brian Donlevy who also appears with them in their new film. "The Great Man's Lady" ranks with the great pictures in movie history. It has all the sweep and scope of "Cimarron" plus the romantic dynamite of Miss Stanwyck's recent "Ball of Fire."

YOUR ELECTRIC SYSTEM WORKERS

UNSEEN and unheard, with no brass band effects, the Electric Power workers are doing a magnificent job for the nation at war.

We think something should be said about the men who night and day are supplying the power, light and heat so urgently needed for production of more and more ships, tanks, planes and guns for our fighting men.

The scene is the same in any one of the scores of generating stations scattered through central and northern California. At the switchboard stands the operator, his eyes on a maze of indicators and signal lights, his ears attuned to the hum and throb of turbines and generators.

From that powerhouse, tucked away in some remote mountain canyon, flows a part of an endless stream of Electricity with a massed strength equivalent to that of 16 million men available to drive the motors of the war industries.

Distribution is governed in the office of the Load Dispatcher, strategically located in a central city. Here is the nerve center of the entire electric system, controlling the dispatch of Electric Power over thousands of miles of interconnected wires, meeting the emergencies of constantly changing load conditions, upholding the P. G. and E. tradition, "Electric Service whenever and wherever it is needed."

Careful planning has built up this system. Our organization is the product of years of work and years of preparation. Every one of our 9000 operating employees follows the watchword, "Efficiency." They, too, are part of the civilian army for the defense and protection of the United States.

Perpetual Help Enrolls 249 Pupils

Enrollment records of Our Lady of Perpetual Help grammar school in Daly City show that 249 pupils are being schooled this year in parochial classrooms.

To meet the overflow of school children, an additional classroom was opened this year complete in all furnishings and supplies. The added classroom has accomplished a great improvement in last year's seating problem, according to school authorities.

Two new teachers, Sister Theophane and Sister Clara, are teaching classes this year, replacing Sister Anastasia and Sister Mercedes, who were transferred to other schools.

Cootiette Club Meets

The Golden Bug Cootiette club, No. 32, met at the home of Mrs. Bertha Bettencourt, Palo Alto, Tuesday evening. Members present at this social gathering were Mesdames Nellie Jensen, Mina Heffron, Florence Allene, Hattie Heald, Allene Lehigh, Nancy Hurley, and Myrtle Irvin.

Lovely refreshments were served following a delightful evening of cards.

SHOP EARLY!

Remember, there's less than a month of Christmas shopping days left—if you're sending a gift to a member of the armed forces who's now overseas.

November 1 is the last mailing date. Better be safe than sorry, and get your presents bought, dispatched and on the high seas before then.

This is one Christmas shopping stint that should be as welcome as it is easy. A soldier's wants are simple. A poll of soldiers at Camp Roberts, California, the other day revealed the following items as leading gift choices and they're doubtless typical of American soldiers' preferences the world over. These were cigarettes, which took first place, toilet kits, small luggage sets, Army dress shirts, radio sets, sewing sets and pen and pencil sets.

Here, then, are some of the typical gifts hoped for by men in the armed services. You won't find it hard to choose from such a list. Shop at home, shop early, and make certain that your gift will arrive in time to make it a happier Christmas for the boys on the far-off fighting fronts.

Pastor Reports Good Attendance At S. S.

Members have responded very enthusiastically to the home coming month of the Sunday school, at Grace Nazarene church, Reverend N. M. Lewis reports. Sunday will be the last meeting and all members are especially urged to attend.

The meeting will be Promotion Sunday. A special program for the occasion will be given by the Primary and Beginners departments. Parents and friends are especially urged to come with their children.

Co-Eds Initiate Two

Miss Emilia Bertini, Price street, Colma, and Miss Tebbie Barker, 429 San Diego avenue, Daly City, became members of the Campus Co-eds at an informal initiation, last Wednesday.

The coeds met in the home of Miss Dorothy Knight, 203 Attilo avenue. Delightful refreshments were served after the ceremonies with the new members as guests of honor.

The next meeting of the group will be held Wednesday evening at the home of Miss Shirley Johnston, 219 McDonald street, San Francisco.

*If you need a Car
you need a BUICK*

... and if you really need a new car for essential work—you can get one!

AUTOMOBILE-BUYING regulations boil down to this:

If you really need a car—you can get one.

Necessity governs—and when necessary work can be done better by replacing an older car with a new one, both rationing rules and public policy encourage such a move.

This 1942 Buick is a car built from the ground up with the idea that it would have to serve over a far longer-than-usual service life.

Its Buick FIREBALL valve-in-head straight-eight power plant is a basically more efficient engine, designed to get the last bit of usable power and mileage from gasoline.

So if you need a car you need a Buick. Talk your situation over with your Buick dealer, and look at the models he can deliver at once from his large and complete stocks—even though the Buick factories have for many months been on all-out war production.

IF YOU ARE INCLUDED IN THIS LIST, YOU'RE ELIGIBLE TO BUY

There are seven major classifications for persons eligible to buy new cars under basic rationing rules.

These include: (1) persons engaged in the production of war materials or the prosecution of the war, directly or indirectly; (2) physicians, nurses, clergymen, veterinarians; (3) car-owners engaged in public service, such as fire departments, public health, highway maintenance, etc.; (4) owners of taxicabs and other means of transportation; (5) farmers; (6) newspaper wholesalers; and (7) traveling salesmen in certain fields.

Don't guess about your eligibility—see your Buick dealer now and make sure.

Two Long-Time Residents Succumb

Residents of Daly City were sorry to learn of the deaths of two local men, both of whom were for many years members of the community.

Geniale Bosco, local shoe store owner, succumbed, Sunday, after a long illness. He resided at 6074 Mission street. He is survived by a half brother, Raffo Cincinnati, San Francisco.

Rosary was recited, Tuesday evening at 8 p. m., in the chapel of W. C. Lasswell and company. Requiem mass was held, today, at Our Lady of Perpetual Help church. Interment followed at Holy Cross cemetery.

Funeral service for William C. Bell, a resident of Daly City for 16 years, were held this morning at the W. C. Lasswell and company chapel. He resided at 447 Niantic street.

A wife, Anna Bell; stepchildren, Lloyd, Bill, Chester and Babo; and a sister, Mrs. Mamie Shirpy, survive the deceased.

Interment was at Olivet Memorial Park cemetery.

Consumers Change Date

The Daly City Consumers' club will meet in the future on Mondays from 1-3 p. m. instead of Tuesdays.

Mrs. Anne Eason, chairman of the group, announced that many pamphlets helpful to homemakers are offered to all interested. Call at the city hall anytime during the regular meeting of the group.

Is Your Name There?

Where? Why, on the great register of California, of course! Today, September 24, is the very last date to enter your name, if you failed to vote at both elections in 1940, or moved since last registering. Remember — only those registered can vote.

Citizens who are not yet registered can do so with the clerk of San Mateo county, or with the city clerk at the city hall, 75 Wellington avenue, or with any qualified deputy clerk.

"JOIN THE NAVY"

"Never in all history has the call for defenders of freedom been so urgent as at this moment.

"Brave men are needed—stout-hearted men—men who would rather fight to stay free than live to be slaves.

"If that's the way you feel about it, your place right now is with the Navy—your Navy—in America's first line of attack—shoulder to shoulder with the red-blooded men of action who are determined to defeat the Axis, who are not only remembering Pearl Harbor but are doing something about it.

"There's a big job to be done. There's a big opportunity for the men who do it."

Signed:

FRANK KNOX,
Secretary of the Navy.

VFW Auxiliary Guests At Granada

The ladies of Old Glory Auxiliary, No. 2044, V. F. W., were guests at the war stamp and bond booth of the Granada theatre, this week.

Following a very successful sale at the Daly City theatre the ladies were invited by the manager, J. Edwards, to take charge of his theatre from September 15 to September 22.

Mrs. W. J. Lehigh, chairman of the group, was assisted by Mrs. Rose Doolin, president of the auxiliary; Mrs. Ethel Dorn, Mrs. Nellie Jensen, Mrs. Ruth Brulez and Mrs. Margaret Krull.

Howard McHugh, commander of the Old Glory Post, No. 2044, V. F. W. presented his color guard, Sunday evening. It was composed of Walter Lehigh, M. V. Jensen, Ray Brulez and K. V. Doloin.

NAVY MOTHERS

Mrs. Joseph Gehrig, 342 Irvington street, with a party of ten Navy mothers and 32 San Francisco girls, went to Mare Island hospital recently to visit Navy patients. They took cookies and refreshments to the boys in the hospital.

Mothers who have sons in the navy, marines, or coast guard are eligible to join the Navy Mothers. Applications for membership can be made at Dover hall, Eighteenth street, San Francisco.

Navy Mothers will have charge of the Hospitality house on Navy Day, October 27.

Oh Boy—who said girls can't be good leaders. The snappy prancing of the newly chosen band leaders is enough to make any one sit up and take notice.

A committee of teachers, after viewing many contestants, chose six girls to lead the band to fame and glory. Miss Anita Lehigh was chosen drum major, Miss Mary Sue Denton is the new head majorette. She will be assisted by assistant head majorette, Isabelle Rivera and majorettes, Miss Lena Lloyd and Miss Colleen Robin. Miss Ester Hanel will add a little zip in the position of a tumbler.

Who wants to miss a game with such a fine football team, a band, and such a sextette!

Classes

ELECTIONS

Classes met for the first time this term to choose their leaders.

The freshmen chose three boys to represent them. They are Hubert McDaniel, president; Ray Chelone, vice-president; and Roy Lundgren, secretary-treasurer.

Don Welch was chosen to lead the sophomores. He will be assisted by Lois Rich, vice-president; and John Melani, secretary-treasurer.

The juniors elected only one officer at their meeting, Vice-President Ralph Capps. The others failed to qualify.

Kay Lopresti is the new senior president with John Mosman as vice-president.

TOTEM POLE

The Totem Pole went to press for the first time last Thursday, under the skillful hands of the Jefferson journalism class.

Miss Tillie Castro has the honored position of editor. James Husten is the associate editor; Dolores Mardecich, feature editor; Mary Sue Denton is in charge of girls' sports; and Bill Freeman has charge of the boys' sports. Walter Cavanaugh does all the art work on the paper and Shirley Rice and Frank Feno are reporters.

Better dash to your locker after eighth period today for the second edition will be waiting for you.

CLUBS

"Watch the birdie." The camera club is at work again.

At their last meeting, the group chose their new corps of officers to lead them in their many activities.

Carol Bryant has the chair as president. Deloris Thomas was chosen vice-president; Leonore Ross, secretary; and Leslie Greig, treasurer.

C. S. F.

President Joe Rodriguez will lead the California Scholarship Federation, of Jefferson Union high school in their weekly meetings. He will be assisted by Gwendolyn Stegeman, vice-president; and Alma Simonetta, secretary.

ASSEMBLIES

"Oh, my goodness!"

There is one girl in Jefferson who won't read wild west stories any more. She's been cured for life.

Coming out of class the other day this young lass came face to face with Chief Hailstorm. "Ug," said he, and "Oh," said she—interesting language they speak, I must say.

Chief Hailstorm entertained the students at a pay assembly recently. He is a real Cherokee Indian and has a wonderful background on the songs, dances and customs of his people. Quite entertaining but really very harmless.

MOVIES

Students of Jefferson are certainly becoming acquainted with the workings of our land and air forces. Nearly every week an assembly has been held showing movies of different divisions. One time it was "Making Tanks," and "Bombers." Last week it was "Submarines." This gives the boys an excellent chance to decide what branch of the armed force they would rather join when the time comes.

SPORTS

Miss Ella Redkey, girls' gymnasium instructor, announces that plans are being developed for a busy G. P. A. L. program this term. Hockey, swimming, archery, tennis will be featured.

Because of the travel problem, the group will not attend as many play days as before. Only schools easily reached by street car will be visited.

ARMY

Add another star to the Jefferson service flag. Miss Juanita Young is no more. It's Private Young of the W. A. A. C. Miss—I mean Private—Young joined the women's division of the armed forces several weeks ago and will report at Fort Demolines, Iowa, in the near future.

Music

Oscar Bush, music instructor, certainly began the new semester with a bang. Plans have already been laid and are in effect for the first musical treat of the term.

It is to be a patriotic assembly telling the story of America through song. "As America Sings" is the very appropriate title.

This program will be a small tribute to the Jefferson boys who are in the various branches of Uncle Sam's fighting force.

Students to participate will be chosen from the various chorus classes taught by Bush. While no definite date has been set, the program will be presented to the students in the very near future.

Women Donate To Blood Bank

Typical of the one hundred per cent support among women of America in aiding every phase of the national war effort were the donations to the San Mateo County Blood Bank of a pint of blood each by four members of the Daly City Fire Department auxiliary.

When Captain Albert L. Sundstrom sought the pledges of Daly City's eighty firemen to the blood bank, the wives and sisters of these men also responded to the call, and the first four women donated a pint of blood each. Following are the women who have donated: Mrs. Doris Rinehart, Company 4 Auxiliary; Mrs. Catherine C. Welsh, Company 4 Auxiliary; Mrs. Estelle Petersen, Company 1 Auxiliary; and Miss Agnes Wood, Company 1 Auxiliary.

Four donors were reported, Monday of last week, by Mrs. Catherine Foreman, local blood bank chairman, among donors who were not affiliated with the fire department. The donors who were sent to San Mateo to have a pint of blood each extracted were as follows: Mr. and Mrs. N. E. Barrow, C. Rengstorff, and Joseph M. Conlan.

Together, these donors have enriched the San Mateo Blood Bank by a gallon, or eight units of blood plasma. All persons in this community are urged to donate to the blood bank to help build up a blood reserve in this county.

HOWARD REILLY NOW LIEUTENANT

Howard E. Reilly was recently made the proud possessor of his silver bars, designating him a first lieutenant in the United States Army.

Reilly is the son of Mr. and Mrs. J. F. Reilly, 102 Templeton avenue. After entering the armed forces in 1941, Reilly spent a short time at Camp Roberts where he received his basic training. Selected as one of three men he was sent to Officer Candidates School at Carlyle, Pennsylvania. Graduating last December with one of the highest marks, he was assigned to Camp Joseph Robinson Medical Replacement training center, Little Rock, Arkansas. It was here that he was raised to the rank of

DANCE

Wah-Hoo—Come on you hep cats, and jitter bugs, put on your dancing shoes and get into the groove—there's going to be a dance.

The entertainment committee announced that the first dance of the term will be Friday, October 2. To get in the spirit of the coming football season it is called the Pow-Wow.

Tomorrow is the last day you can purchase bids—so dig down in your slacks and treat your best girl to a Pow-Wow of a time.

NEW MEMBERS

The Indians of Rhythm, under the direction of Howard Miquel, will keep the Pow-wow in full swing with their melodic music. Four new members have been introduced into the orchestra. They are saxophone players, Sue Foster and Rudy Richards, and trombone players, Jerry Galindo and Hubert McDaniel.

Practice has already begun on popular new pieces. The way they roll out "I Met Her on Monday" it looks like a good time will be had by all.

BOUQUETS

A posy for Miss Patricia Taylor's cute idea.

The other day Miss Taylor had on a white sloppy-Joe sweater and on the front were the names of her friends embroidered in different colored yarn. To make it still more unique, one side had all boys' names and the other girls'. Wonder whose name lies over her heart?

Miss Joyce McCune also deserves a flower for the snappy looking outfit she wore the other day. It was a powder blue high neck sweater, shorties to match, and a plaid suit, dominated by brown and matching blue stripes, white shoes and a cute sailor pin on her lapel.

This matching outfit, with her blue eyes, blonde hair and 'pin to show where her heart is—Oh Boy!

Navy Selects Shinazy For Specialist Training

Selected for training as a specialist in the U. S. Navy on the basis of a series of aptitude examinations given every Blue-jacket during his recruit training, Ralph Shinazy, son of Mr. and Mrs. Adam G. Shinazy, School street, Colma, is now undergoing an intensive 16-weeks course in the school for Aviation Machinist's Mates at the service schools of the U. S. Naval Training Station, Great Lakes, Illinois.

Upon successfully completing this course, he will be eligible for advancement to a petty officer's rating and will then be sent either to the fleet or to an advanced service school for additional instruction. There he will serve under veteran petty officers in his specialized field, receiving more practical instruction and experience. Service schools at Great Lakes offer courses in 20 of the 55 specialists trades of the U. S. Navy.

Young Shinazy received his schooling at Jefferson Union high school, having graduated in January of last year. He was active in school affairs particularly in music. A talented musician, he was a first trumpet soloist in the popular Indians of Rhythm orchestra at the high school.

Librarian Announces Addition Of New Books

Mrs. Jean O'Rourke, librarian at the Daly City Public library, announces several of the latest popular books have recently been added to the shelves. Those that are now ready for circulation include, in the general literary group, "This Is Your War", by Childs, and "The Problems of Lasting Peace" by Hoover.

The latest fiction includes "Dragon Seed" by Buck, "Drivin' Woman" by Chevalier, "The Keys of the Kingdom" by Cronin, "And Now Tomorrow" by Field, "The Cup and the Sword" by Hobart, "I Remember Christine" by Lewis, "The Pied Piper" by Shute, "The Sun Is My Undoing" by Steen, and Steinbeck's famous "The Moon Is Down".

Lions Have Grand Time At Picnic

Enjoying excellent food and a full day of merriment, 84 guests of the Daly City Colma Lions club joined in the gaiety of the Lions annual picnic at Memorial Park Sunday. Members of the local club, their families, and friends, besides a large number of visiting Lions and guests, attended the event.

Refreshments at the picnic turned out to be a first class banquet. Eating was the feature of the day, and not one guest left the park hungry. Dr. J. C. McGovern, assisted by his nephew, "Buster" Quinlan, barbecued delicious steaks and served them as the feature of the menu. Two wives of Daly City members, Mrs. William J. Sweeney sr. and Mrs. Robert Fessenden, prepared other dishes accompanying the barbecued steaks. Mrs. Sweeney cooked beans, while the salad was prepared by Mrs. Fessenden.

A guest at the picnic was the former president of the Daly City Colma Lions club, Dale Hovey, who attended with his family. Hovey is now quartered in Sacramento in a civil service position with the federal government.

Softball and other games were enjoyed during the day. A public address system was set up, and phonograph records of popular music entertained the crowd.

Have You Bought A Bond Yet?

Have you bought a bond to salute your own hero?

The last week of the billion dollar war stamp and bond drive began Tuesday at the Daly City theatre.

Ladies of the various auxiliaries of the Daly City Fire department have donated their service in closing this month's drive with flying colors.

Mrs. William Brush, president of auxiliary No. 1; Mrs. August Ford, president of auxiliary No. 2; and Mrs. Florence Sundstrom, president of auxiliary No. 4, will be in charge of the booth this week. The committee has arranged to have two members from various groups on duty each night. Many pledges and contacts have already been made by the ladies and an exceptional showing seems certain, reported Henry Coombe, manager.

"This is your last chance to add your bit to the motion picture industries bond drive. Buy a bond or a stamp—any amount you can afford—so that the men in the trenches will know the people here are paying tribute to him over there," the drive's leaders urged.

School Children To Collect Cans

(Continued from Page 1)

were during the summer months. "We used the street corners on the first and third Sundays of the month for the past summer," Crane explained, "but since school has resumed now we will follow the former procedure of housewives giving their tin cans to grammar school children."

One of the city's trucks transports the tin to South San Francisco every Friday morning where the metal is separated from the tin and processed for use in the manufacture of munitions, guns, and tanks which are needed in the nation's war effort.

The first of the carloads of tin was sent to the detinning plant last week, Crane announced. However, a much larger supply is expected to be collected tomorrow—possibly more than a carload.

Here are the directions for preparing tin cans:

1. Cut both ends of the can and bend the flaps inside the can.
2. Clean the inside of the can by running water through the can.
3. Flatten the can by stepping on it. Give the collection of cans to a grammar school pupil.

in the showing of Indian gridders this season, regardless of the absence of veterans. Although Jack Faulk, 200 pound tackle, and "Hank" Steele, left end, are the only returning members of last year's regulars, the Jeffs are well stocked with a promising group of new candidates.

"We can't really tell yet what we're going to have this year," the new Stanford educated coach said, "but I think the boys will look fairly well after they get a few games under their belts."

"They have shown plenty of fire and enthusiasm in practice," Coach South said. "We have had some good, hard scrimmages, including an intra-squad game, Friday night."

Previewing their running attack, which may prove to be a threat to PAL opponents this season, the first string regulars scored eight times against the second stringers in Friday's intra-squad tussle.

Tomorrow's game with Tamalpais will find Coach South starting the following team: left end, "Hank" Steele; left tackle, Jack Faulk; left guard, Don Nelson; center, Bill Ekers; right guard, "Bud" Fellows; right tackle, Bob Vaughn; right end, Ralph Capps; quarterback, Gene Ghilarducci; left halfback, Bill Freeman; right halfback, Merle Van Kirk; and fullback, Tulio Picchi.

Miss Dorothy Kampa, formerly of 742 Templeton avenue, recently began her college career at the Milwaukee-Downer college, Milwaukee, Wisconsin. Here Miss Kampa hopes to continue work in drama.

Miss Kampa was a popular student at Jefferson Union high school last term and received special recognition for her excellent work in several of the school plays.

AVOID WASTE ON THE LITTLE THINGS... SPEND FOR THE BIG THINGS. WAR SAVINGS BONDS

SAFEGWAY *Homemakers' Guide*

★ Special menus for war workers ★ Lists of foods that save you money for five big days ★ Sue tells Lou something new about shopping

Week-end advertised prices for five big days!

Now Safeway's specially low advertised prices are good early in the week as well as on the week-ends—Tuesday through Saturday, each week. And now Safeway ads appear in newspapers early in the week—so you can shop early in the week and still take advantage of Safeway's extra low advertised prices.

If there is a war worker in your home you should read this

Split shifts, box lunches and dinners eaten at breakfast time, make care in menu planning doubly important. To keep your war worker healthy and strong, alert and efficient on the job, with steady nerves that help him maintain the wartime pace yet relax away from the job, you need to know and practice the rules of menu planning and nutrition.

First, you need to make sure that he has three nutritious meals a day, regardless of irregular hours and long shifts. He needs planned meals with lots of emphasis on *quality*. More than ever do you need to know what you're going to have ahead of time... need to buy wisely, with an eye on future menus. It's up to you to keep him radiating positive good health and vitality. Use your head and save your feet and your war-worker's job.

In planning, see that your worker gets a balance of "protective foods"—liberal amounts of milk and cheese, fruit and vegetables, meats, fish, and poultry, eggs and whole grain and enriched breads and cereals. Then make sure that you give him enough energy-building foods, desserts and other treats which will give him pleasure in eating as well as renewed vitality.

Here are three balanced, easy-to-prepare, and easy-to-eat meals to serve the worker who may be eating dinner at breakfast time, lunch at midnight or brunch in mid-morning.

DINNER AT BREAKFAST TIME

At The District Grammar Schools

CROCKER SCHOOL ROOM 2

The study of textiles has had its beginning as a social science unit for the first part of the term's work. The children made several maps to indicate the sheep raising states of the western part of the United States.

ROOM 3

The children of Room 3 that enrolled for the first time at Crocker are Geraldine Pike, from Lemon Cove; Gloria Naccarini and Jean Rusting, from Perpetual Help school in Daly City; Richard Hysom, from the Palo Alto Military academy, and Shirley Silar, from Bayshore.

ROOM 4

Room 4 is very happy to have Shirley Downie and Mary Lee Lund who have transferred to us from Woodrow.

ROOM 6

Beverly Rowe has been appointed to act as news reporter for the term.

Two groups at the Crocker school are having the advantage of a course in Junior First aid. The students are very earnest and interested to do their part in the well organized civilian defense activities of Daly City.

JEFFERSON SCHOOL

Jefferson school, grades 1 to 8, plus the kindergarten, has started the Fall term with an enrollment of 252 including 20 children in the kindergarten.

A number of pupils have transferred to other localities because their parents must be nearer to defense plants. New pupils have come to take their places. Among the newcomers are: Shirley Devlin, eighth grade, from Boulder Creek; Rob Knob, eighth grade, from Daly City, and Joseph de Leon, eighth grade, has returned to Jefferson after a year in San Francisco Junior academy.

We are glad to welcome back Robert Benassini, seventh grade, after his return from several months in a San Rafael school.

Ronald Crowell, sixth grade, is a newcomer from Turlock; Paul Willbanks, sixth grade, returned after a year spent in Merced; Archie Knob, from Santa Cruz; and Claire Molloy, also of the sixth grade, from Perpetual Help. Patricia Bannon, sixth grade, arrived from Seattle, Washington.

Carl Garner, first grade, came to us from St. Louis.

Scrap iron, tin cans, War Bonds and Defense Stamps are among the thoughts uppermost in the minds of the Jefferson students. Cans are brought to school daily so that a worthwhile quantity will be on hand for the weekly pickup on Fridays. As an example of combined patriotism and thrift, \$152.70 was invested by the students in Staraps and Bonds this week. The eighth grade, alone, invested a total of \$119.50. The largest purchase was a \$100 Bond bought by a student with money he earned during vacation. One day a week is designated "Defense Stamp Day."

The semi-annual class election was held in the eighth grade with the following results: president, Nathan Agresti; secretary, Lola Casentini; treasurer, Roberta McDaniel.

Joseph de Leon, Harold Bocci and Don Grimes are eighth graders who have joined the orchestra of the Jefferson District Grammar schools. Respectively, they play the following instruments: violin, accordion and clarinet.

WOODROW WILSON ELEMENTARY

Last Monday, the student body at Woodrow Wilson elementary held its first student body meeting.

The following officers were elected: president, Lorraine Sanders; vice president, Richard Selmi; secretary-treasurer, Esther Morgan.

Twenty-Sixth District Installs New Officers

The new woman's club house in South San Francisco was the scene of installation ceremonies of the Twenty-sixth district, American Legion auxiliary last Friday evening. Mrs. Florence Chess, past department president, was the installing officer and Mrs. Marcie Trier, honorary sergeant-at-arms, assisted by the San Mateo County Ritualistic team.

The new president, Mrs. Irene Signarowitz, South San Francisco, and the first vice president, Mrs. Beatrice Cameros, Burlingame, had been installed at the recent state convention held in Los Angeles. The following were installed: Mrs. Mae Gomes, San Mateo, second vice president; Mrs. Alice Reilly, Daly City, junior past president; Mrs. Lenore Neatherlin, South San Francisco, secretary-treasurer; Mrs. Zelma Buckholz, Lomita Park, historian; Mrs. Hubertine Holzworth, San Carlos, chaplain; Mrs. Mary Welch, Belmont, sergeant-at-arms; Mrs. Lucille Benson, Redwood City, marshal; Mrs. Merle C. Tobey, San Carlos, musician.

Mrs. Reilly, the retiring president, thanked her officers, chairmen and all units for their splendid support during the past year. Mrs. Reilly announced that the Twenty-sixth district was named the most outstanding district in the state at Convention. The district received a trophy for the largest percentage gain in membership over quota. Mrs. Reilly was also appointed La Marechal Departementale of the 8 and 40 society at convention.

The following Daly City women were appointed by Mrs. Signarowitz when she named the chairmen of various committees: Mrs. Naomi Murphy, community service, and Mrs. Reilly, constitution and by-laws and district drill team.

Both the new and the outgoing presidents were recipients of many beautiful flowers and gifts. Distinguished guests present were C. H. Whitney, commander of the second area; Joseph J. Madden, district commander; Phil Blanchard, past district commander, all of the American Legion, and A. G. K. Jacobson, chef de gare of the 40 and 8 society.

The next district meeting will be held in Menlo Park, Friday, November 13.

Y. L. I. Study Club

Discuss Current Events

Members of the Study club of Emydian Institute, No. 154, Young Ladies Institute of Colma, held a meeting at the home of Mrs. Lawrence Varni, Tuesday evening, September 8.

Current events were discussed. Delightful refreshments were served at the close of the evening by the hostess.

Those present at the meeting were: Mrs. Michael Ryan, Mrs. Tom Laramie, Mrs. Raye Grondona, Mrs. Lawrence Varni, Mrs. Bart Micheli, Miss Mary Belli, and Miss Rosemary Flanagan. A very enjoyable evening was had by all members present.

Application for a marriage license was made in San Francisco by Richard L. Beach and Enid V. Mead, both of Daly City, recently.

District P. T. A. Hears War Message

Seventeenth district Parents and Teachers, last Thursday afternoon, heard Mrs. J. J. Garland, first vice-president of the California congress, stress their responsibility to contribute a maximum effort toward winning the war. Mrs. Garland's message at the Burlingame Methodist church featured a program of information on P. T. A. policy and procedure for unit officers and chairmen.

An invocation and welcome by Reverend John R. Wilkins at the morning session followed a greeting from Mrs. Stella L. Jensen, district president.

Mrs. S. A. Coulthard, chairman of child registration, announced an immediate identification check should be made in each school to complete the files.

From state executive board notes Mrs. Jensen reported P. T. A. radio broadcasts begin October 16 at 2 p. m. on KFRG.

You Can Help War Department

Attention, all women of Daly City and Colma! The United States War department needs your aid immediately!

Due to the great shortage of surgical dressings, the United States War department asks the housewives of every community to donate as much time as possible to making these dressings. They are needed by the boys of our own armed forces and must be supplied immediately. No matter how little or how much time you can afford—every minute of work aids that much toward relieving someone's suffering.

The nearest station for women of Colma and Daly City, who answer this important call, will be the Colma Town hall, El Camino Real and Jewel avenue. Here women will be instructed by competent Red Cross workers in the easy work of making surgical dressings.

Mrs. John H. Price, assisted by Mrs. Jay Jensen, will be in charge of the work. "No uniform is necessary for this work. A clean house dress, something to tie up the hair, and willing hands are all that are needed," states Mrs. Price.

Housewives, donate at least an hour of your time every Friday—it is badly needed!

TWO INJURED

Among those injured in a San Francisco street car collision, last week, were two Daly City residents, Mrs. Lillian Carlson, 134 Los Olivos avenue, and Mrs. Mary McCleod, 144 Los Olivos avenue. They were among 22 persons injured when a No. 12 car of the Market Street Railway company jumped the tracks as it moved down a slight grade on Ocean avenue and telescoped a Municipal Railway "K" car at Pinehurst way in the Ingleside district. None were injured seriously.

Native Daughters Plan Benefit Whist

Perhaps the most appealing of the many activities of the Native Daughters of the Golden West is their Homeless Children's project. For 31 years this organization has been engaged, with their brother Native Sons, in this activity. During this period these two organizations have blessed childless families by placing nearly 6,000 children in legally adopted homes scattered all over California.

While assuming burdens of "purposeful patriotism" which have been laid upon them in the past year, these two orders of California-born men and women have not failed in their "home service". During the year ahead there may be even greater need to assure every homeless child the joy of belonging to someone.

Officers and members of El Carmelo Parlor, No. 181, Native Daughters of the Golden West, are now making plans for their annual Homeless Children's Whist to be held, October 21. The proceeds will benefit this very worthy humanitarian service.

"If you wish to do your bit for a worthy cause and still enjoy a pleasant evening, attend this whist," the organization urged. It will be held October 21, at Masonic hall, and is sponsored by El Carmelo Parlor No. 181.

Who's Busier Than Doctor Stork?

If you are a Stork and out of work please apply at any local hospital. Dr. Stork needs help delivering all the new arrivals.

This vicinity alone can boast eight new additions to the community.

On September 4, a baby girl was born to the wife of Melvin O. Olson, 167 Miriam avenue. On the same day Mr. and Mrs. Corrado E. Cevasco, Colma, were being congratulated on the birth of their daughter.

Mr. and Mrs. Wesley J. Milton, 144 Crocker avenue, have a son born, September 9.

To the wife of Uvas S. Mangun, 170 Los Olivas avenue, Dr. Stork delivered a son, September 12. Mr. and Mrs. Daniel L. Becker, Colma, became the proud parents of a daughter born on this same day.

September 13 is anything but unlucky for Mr. and Mrs. Joseph Giraudo, 100 Shakespeare street. They are the proud parents of a daughter born on that day.

Mr. and Mrs. Samuel King, 550 Beta street, are receiving congratulation on the birth of a daughter born, September 17.

Sunday Morning TREAT

by Dorothy Greig

SUNDAY morning breakfast calls for something extra special. For that's the one morning in the week we can luxuriate in the sun streaming in over the table, the cheerful perk-perk of the coffee, our favorite funnies—and the well liked dish there isn't time for on gobble-and-gallop mornings.

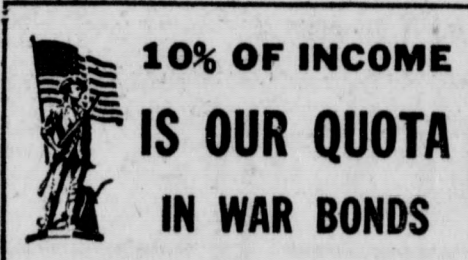

Codfish balls, for instance... made my way they're fluffy tender on the inside, golden, lightly crisp on the outside, and served in bubbling hot tomato sauce. Dear me, why aren't there two Sunday mornings at least in every week?

Codfish Balls in Hot Tomato Sauce
1 cup salt codfish
2 1/2 cups potatoes, peeled and cubed
1/2 tablespoon butter
1/2 teaspoon pepper
1 egg (beaten slightly)

Soak codfish overnight in cold water. The following morning pour off the water and shred by placing on cutting board and pulling apart with a fork. Codfish shreds easily if soaked at least 12 hours. Cook potatoes until tender, drain thoroughly and return to kettle in which they were cooked. Shake over the heat until thoroughly dry, mash well, add butter and pepper and beat until light; add flaked codfish, beaten egg and continue beating until mixture is light and fluffy. Add more salt if necessary. Make the balls by dipping with an ice cream scoop (No. 16) or by dropping from a spoon. Fry in deep fat (385° F.) for one minute. Drain on brown paper. If cakes stick to hand when being shaped for frying, roll lightly in small amount of flour. Makes about nine cakes. Serves 4-5.

Tomato Sauce for Codfish Balls
Heat condensed tomato soup just as it comes from the can. Pour the hot tomato sauce in a platter or chop plate and place the golden brown, codfish balls in the hot sauce.

Bethel 68 Change Meeting Dates

Members of Bethel 68, Order of Jobs Daughters, decided by ballot to change their regular meeting time from the second and fourth Saturdays to the first and third Fridays of each month. The time was also changed from an afternoon get-together to 7:30 in the evening.

This Saturday the group will visit Bethel 94, 14 and Taraval streets, and hold a joint meeting in honor of the grand guardian, Mrs. Ora Bevins of Chico. A potluck dinner will precede the meeting.

The next regular meeting of Bethel 68 will be October 3. Past honored queens and honorary members are especially invited for they are to be guests of honor.

The committee, Miss Barbara Sorensen, Miss May Pasero and Miss Barbara Elston, promise a very enjoyable time for those attending.

SUMMONS TO ESTABLISH TITLE

No. 34577

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

ELIZABETH M. SKIRVIN, Plaintiff, vs. ALL PERSONS claiming any interest in or lien upon the real property herein described, or any part thereof, Defendants.

The People of the State of California, to all persons claiming any interest in, or lien upon the real property herein described, or any part thereof, defendants, GREETING:

YOU ARE HEREBY REQUIRED to appear and answer the complaint of ELIZABETH M. SKIRVIN, plaintiff, filed with the Clerk of the above entitled Court and County, within three (3) months after the first publication of this summons, and to set forth what interest or lien, if any, you have in or upon that certain real property, or any part thereof, situated in the City of Daly City, County of San Mateo, State of California, and particularly described as follows:

Lot 2 in Block 2, as designated on the map entitled "HOME-STEAD REALTY CO'S SUB-DIVISION OF LOTS 140 to 153 INCL. WEST END HOME-STEAD ASSOCIATION DALY CITY, SAN MATEO COUNTY", which map was filed in the office of the Recorder of the County of San Mateo, State of California, on July 31, 1912 in Book 8 of Maps at page 17.

And you are hereby notified that unless you so appear and answer, that plaintiff will apply to the Court for the relief demanded in the complaint, to-wit: that it be adjudged that the plaintiff is the owner of said property in fee simple absolute; and that her title to said property be established and quieted; that the Court ascertain and determine all estates, rights, titles and interests and claims in and to said property and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, and whether the same consist of mortgages, or liens of any description; that a plaintiff recover her costs herein and have such other and further relief as may be meet in the premises.

WITNESS my hand and the seal of said Court this 12th day of SEPTEMBER, 1942.

(SEAL)

W. H. AUGUSTUS, Clerk.
By ROBERT DUFFY,
Deputy Clerk.
